Doc's Talk: The Taliban and the Drug Trade

Douglas FarahWell, for those who have argued there is no smoking gun linking the Taliban to opium production, the jig is now up. NATO forces discovered 11 tons of processed opium in a Taliban stronghold in Afghanistan, meaning the opium was at the stage w...

Doc's Talk: Don't let facts get in the way of the truth-Mr. Gore

David Deming Year of global cooling Al Gore says global warming is a planetary emergency. It is difficult to see how this can be so when record low temperatures are being set all over the world. In 2007, hundreds of people died, not from global warming, b...

The God Blog: Ave Maria and the pizza man's unanswered prayers

Tom Monaghan, the founder of Domino's Pizza, has been receiving a lot of attention for his ambitious -- and pious -- community-building project in Florida. One of my favorite writers at The New Yorker penned this piece last February about Monaghan's plans...
